Lakenheath Village Halls Chairman's Letter

Well, what a year we've had. The bar became popular with the locals; quiz nights, open mic and a Steven Yallop concert, exceeding all expectations. Hiring and bookings were filling our calendar and then, lockdown.

We are managing to carry on with our program of improvement; nearly all windows and doors have been replaced with the last planned for June/July.

Painting of the Peace Memorial Hall has been completed and it's looking rather nice. We are currently awaiting quotes for the Community Centre.

We have the money put aside for the disabled toilet and drop in centre. The builder will start these works later this year.

We are keeping the lawn cut until our new gardeners begin work.

We look forward to seeing you all when normal life resumes.
